

**AANIHH NAKODA COLLEGE  
POSITION DESCRIPTION**

**Program:** NSF ICE-TI/TSIP  
**Position:** Program Assistant  
**Department:** Academic

**General Description**

The Project Assistant will be a temporary full time hire who will work closely with the NSF ICE-TI and TSIP Program Director. The NSF ICE-TI and TSIP grants use a suite of activities that support ANC in building STEM capacity at both the student and faculty level. The Project Assistant will be responsible for aiding in the completion of grant management tasks. This includes assisting with outreach/student recruitment activities, organizing events, assisting in developing and teaching short courses, conduct administrative support duties such as participant support (calling and emailing participants), ordering supplies and materials, handling purchase orders and check requests. The grant work utilizes teaching labs to carry out project goals and objectives. The Assistant responsible for general lab upkeep (i.e. washing glassware/lab instruments and proper storage of lab materials), lab preparation (for short courses), and ensuring lab environment meets OSHA standards. The Project Assistant will also work with other grant team members to help facilitate grant goals and objectives. The NSF ICE TI/TSIP Program Director is the immediate supervisor.
